

"THE BUZZ"

September, 2026

Glory Bee's Sewing Center

Hello, to all our customers! With summer drawing to a close, we look forward to the crisp, invigorating days of fall with its hints of special holidays to come. It's time for some new projects to decorate our homes and to prepare for gift giving. Stop in to see just-arrived fabrics on display, especially some cozy new flannels. Also, we have some classes on the schedule that might tempt you to try a new design or skill.

Stop in to see these gorgeous, soft flannel, holiday-themed fabrics. They coordinate with each other, and they would make spectacular quilts and wall hangings. Whether you love cardinals, stars, or plaids, there are several different fabrics of this line that should be added to your stash!

EXCITING
NEW CLASS
OFFERING!!

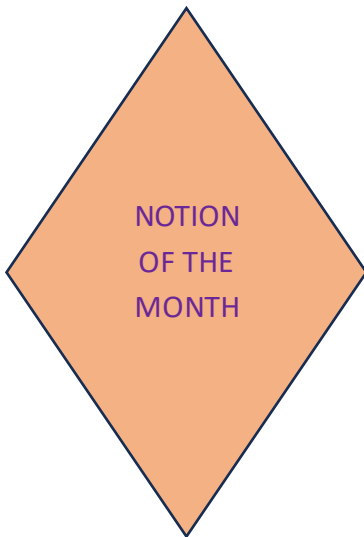

Beginning in September, Glory Bee's will be offering a new monthly class that will feature a specific quilt block. Emphasis will be on how to cut and construct the block as well as using it in a project. This class is for **experienced and new quilters** alike as some of the more intricate designs will come from quick and easy blocks that are sewn, cut, and re-pieced together. The Four Patch Star Table Runner pictured below is the project for September. It starts as a simple half-square triangle four patch that is magically transformed! Join us to start your quilting journey or to learn some fascinating new techniques.

SERVICE CENTER SUGGESTION

Chuck, our Service Center Manager, reminds us that using the correct presser foot is so important in our sewing projects. Even though you may select the type of stitch and adjust the stitch width and length, if you are not using the correct foot, the result may not be what you desired. Glory Bee's is continuing our sale on presser feet this month. See the sale information below, and stop in to see which feet are available for your particular machine.

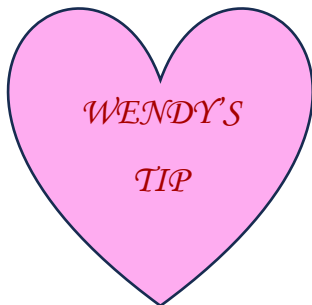

Beginning the month of August 2026, we will be having a sale on ALL feet for your Baby Lock, Bernina, Brother, and Janome sewing machine. This special deal applies only to the feet we have left in stock which is a considerable amount. **If you buy one to three feet, get 40% off. Buy three feet, and get two feet free! Lowest priced items are free.** This offer will run until our stock is gone. This is a great opportunity to add some new feet to your collection!

This month's notion is the *Clover* "Roll and Press".

It is a quick, portable way to press a seam instead of heating up an iron. It will not stretch the fabric, and it has a comfortable ergonomic handle.

Mention that you saw this item in *The Buzz* and receive **10% off the regular price.**

Wendy wants us all to remember how important it is to notice right away whether or not the fabric we are using is directional. Sometimes a pattern will mention this in the information, but often it is something that needs to be determined while examining the pieces we are cutting and how they are put together. Take a moment at the beginning of your project to consider if the fabric is suitable and will be featured with the direction of its pattern facing as it should.

A picture of each class's finished project is on our website with the class listings. Please come in or call us if you have any questions—443-981-3182.

To have the best possible class experience please make certain you bring the following items with you: Your machine and its accessories, top and bobbin thread, small scissors (snips), seam ripper, marking pen or pencil, fabric turner, pins or clips, rotary cutter and cutting ruler, and a notebook for instructions and ideas. Additional items may include: special machine accessories, feet, and needles needed for the particular class.

Your machine manual may also be helpful, if it is available.

We wish everyone a safe and relaxing Labor Day Weekend. After renewing ourselves with vacations and the slower pace of summer, we look forward to new fall adventures. Take a class, try a new technique, consider a different pattern, or just enjoy the exciting adventures a sewing hobby can provide. We invite you to see the new fabrics and projects on display in the shop, and we would love to see what quilts, table runners, wall hangings, or novelty projects have kept you busy this summer!

HAPPY SEWING!
